Kids to Kids has distributed more than 500,000 books to at-risk children in Southern Nevada.

Kids to Kids: Promoting Literacy One Child at a Time

Think of the last time you purchased a book. Remember the way the spine crackled as you opened it, the way the ink smelled, the way the pages felt, and the way the words transported you to a different land? Books are truly magical.

The goal of Kids to Kids, a program of Spread the Word Nevada, is to promote literacy and to make it possible for all of Nevada's children to experience the magic of books.

The Proof is in the Numbers

Kids to Kids distributes books to students in 11 elementary schools, and to-date has collected about 620,000 books, and has distributed nearly 530,000 to more than 48,000 children.

The Difference

A key aspect of Kids to Kids is that the program puts books into the homes of youngsters and gives them the means to develop their own personal home libraries.

In far too many cases, the books given out by Kids to Kids are the first many of these at-risk children have ever owned.

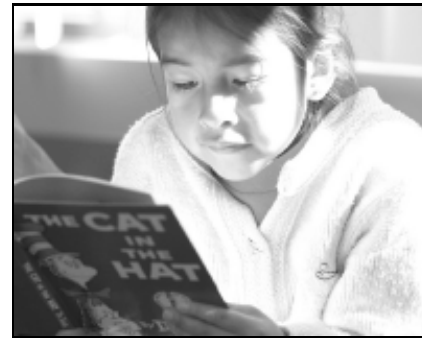

Simply Outstanding

All our hard work was validated when Kids to Kids was recently named "Outstanding Charity of the Year" for 2005 by The Nevada Community Foundation.

This prestigious award recognizes nonprofits that demonstrate both exceptional stewardship of their donors' resources and a high level of effectiveness in addressing community issues.

It Takes a Community

Kids to Kids has teamed up with a number of generous partner organizations, including Lexus of Las Vegas, Rhodes Homes, The Venetian Foundation, Focus Property Group, Barnes & Noble Booksellers,

The Summerlin Children's Forum and The Howard Hughes Corporation, and Goodwill Industries, among others.

Kids to Kids Programs

Kids to Kids programs are imaginative and varied.

In our "Books From Badges" program, we work with local law en-

forcement agencies to distribute books to children in neighborhoods with high crimes rates. Officers hand out books from their patrol cars, or make books available in the lobbies of their stations. "Books From Badges" has distributed more than 12,000 books.

In "Breakfast with Books," we distribute books to families in need at events featuring the chance for children and parents to select books together. The program increases awareness of reading as a family activity. More than 15,000 books have been distributed through this effort. Find out more at SpreadtheWordNevada.org.
